

C-51 RESERVOIR PROJECT ISSUES

**Palm Beach County
Water Resources Task Force
March 19, 2009**

Key Decisions

- 
- **SFWMD include reservoir as an AWS Project in LECWSP?**
 - **SFWMD allocate offset credit to utilities?**
 - **SFWMD allow water supply source shifting?**
 - **SFWMD expend resources to identify & use credits?**
 - **LWDD willing to accept C-51 water?**
 - **L-40 Levee stakeholders willing to consider other alternatives?**
 - **Who will fund, operate & maintain new system?**

Work Scope

- 
- **Update Utility Demand Projections**
 - **Conveyance**
 - **Permitting**
 - **Environmental & Water Quality Analysis**
 - **Geotechnical & Hydraulic Testing**
 - **Full-Cost Accounting**
 - **Legal & Regulatory Considerations**
 - **Governance & Financing**
 - **Schedule**
 - **Offset Credits**
